Resolution No. BCE. 1150.

Bombay Castle, 10th April 1951.

Government Letter, Education Department, No. BCE. 1150-J, dated the 8th January 1951.

Letter from the Backward Class Officer, No.ES/V/85, dated the 22nd February 1951.

RESOLUTION:- Since some time past it has been felt that the present designation of the head of the Backward Class Department, viz., Backward class Officer is not a very happy one. After a careful consideration ot alternative suitable designations, Government is pleased to direct that the Head of the Backward Class Department should forthwith be re-designated as "Director of Backward Class Welfare". Corresponding changes should be made in the designation of the Assistant Backward Class Officers who should be re-designated as "Assistant Director of Backward Class Welfare." The designation of the District Officers -viz., The Backward Class Welfare Officers and of the Backward Class Department itself should remain unchanged.

RESOLUTION OF GOVERNMENT

The existing list of Backward Communities (including Scheduled Castes and Scheduled Tribes) in this State issued in Government Resolution Political and Services Department, No.490/46 dated the 1st November 1950 was drawn up mainly for purposes of recruitment. Howe ver, on principle, there must be only one classification of Backward Classes allover the State. Obviously, there cannot be one classification for educational concessions, another for economic concessions and a third for recruitment concessions. It has, therefore, been usual to treat the communities specified as Backward for recruitment concessions as Backward for all purposes. Government is now p;eased to direct that the communities listed as Backward in Government Resolution. Political and Servi es Department No.490/46 dated the 1st November 1950 (as amended from time to time) should be treated as Backward for the grant of all the concessions educational, economic, recruitment and other s sanctioned for these communities by Government from time to time.

2. The list of Backward Classes mentioned in paragraph 1 should be published in the Bombay Government Gazette in the first week of March every year for the information of the public. The list should also be printed sepaeately, in the form of a bookelet, copies of which should be kept in stock in sufficient numbers by the Directo r of Backward Class Welfare for supply free of cost to all educational institutions and on request, to members of the Public.

3. The Public should requested (by issued of a Press Note) to approach the Director of Backward Class Welfare for copies of the list and for any clarification as to whether a particular community is Backward or not.

4. The expenditure on account of the above proposal should be debited to the head "47-Miscellaneous-H-4-Backward Class Officer", for purposes of proforma accounts.

By orde of the Governor of Bombay,

Sd/-
For Under Secretary to the Government.

To

The Director of Backward Class Welfare,
The Secretary to the Governor,
The Secretary to the Honourable the Chief Minister,
The Secretary, Bombay Public Service Commission,
The Accountant General, Bombay,
The Prothonotary and Senior Master, High Court, Bombay ((by letter)
The Registrar, High Court, Appllate Side, (by letter)
The Director of Public Instruction,
The Director of Government Printing and Stationery,
The Director of Publicity (for issuing the requisite press note)
All other Heads of Departments and Heads of Of fices under the several Depntments of the Secretariat,
All Departments of the Secretariat (except the Separate Department).

(1) ... Copy of the Development Department note dated the 22nd April 1951.

"Please see Government Circular, Political and Service Department No. 490/46, dated the 5th January 1951 and Government Circular, Political and Services Department No. 7469/34, dated the 28th February 1951. The former directs that a statement containing information regarding the vacancies filled by the Heads of Departments should be sent to the Political and Services Department through the Backward Class Officer; while the latter directs to obtain them the Backward Class Officer lists of canditates belongint to backward classes so as to ensure that recruitments of candidates from class is made at least upto the prescribed percentages.

In this respect if may be pointed out that according to Government Resolution, Political and Services Department No. 490/46, dated 1st November 1950 the percentages of vacancies occuning in the various services and posts under Government have been fixed, but as the posts other than those of class IV services come within the purview of the Bombay Public Service Commission, the selection of candidates is not made by the Secretariat Departments. Such candidates are however selected, directly for temporary posts whenever public Service Commission selected can-didates are not available. It is presumed tat in such cases on report is required to be made to the Political and Services Department through the Backward Class Officer as per Government Circular, Political and Services Department No. 490/46 dated 5th January 1951. As such the report required to be sent is only regarding the recruitment of class IV Government servants. Similarly it is presumed that the list of candidates belonging to the Backward Classes for class IV services only, should be obtained from the Backward Class Officer. The Political and Services Department may be requested to confirm these presumptions.

Apparentaly Not Id/-

That Department may also be requested to be so good as to state whether the list of Backward Classes should be obtained from the Backward Class Officer in case this Department has to fill class III temporary posts directly when no Public Service Commission selected candidates are available.

Political and Services Department may see as proposed."

*****

(2) ... Copy of the Political and Services Department note dated the 16th June 1951.

"Please see Government Circulars, Political and Services Department, No. 490/46 dated the 5th January 1951 and No. 7469/34, dated the 28th February 1951.

2. The Development Department has made the following observations and presumptions with reference to the orders contained in the above Government Circulars:-

(i) Since the class III posts in the Secretariat are within the purview of the Bombay Public Service Commission the Departments are to observe the orders mentioned above, only in the case of appointments of Class IV servants and not in the case of Class III servants.

(ii) Whenever Public Service Commission candidates are not available to fill temporary vacancies, the Secretariat Departments are authorised to fill them by direct recruitment through the Employment Exchange, such appointments being purely temporary and of an emergent nature. It is not therefore necessary to report these appointments to this Department through the Backward Class Officer as required by Government Circular, Political and Services Department No. 490/46, dated the 5th January 1951. It is also

not necessary to obtainlists of Backward Class candidates while filling such vacancies, a required by Government Circular, Political and Services Department No. 7469/34, dated the 28th February 1951.

3. The following are the replies to the points raised by Development Department:-

(i) For the purpose of recruitment to the Class III Posts, vacancies in the Secretariat Departments will be pooled together and while asking the Public Service Commiwwion to recruit candidates, this Department will earmark 20% of the vacancies in each cadre (Upper Division, Lower Division, Typists, etc.) for the members of the Backward Class, i.e. in other ~~work~~ words this Department will ask the Public Service Commission to see that * 20 of the candidates selected, are from the Backward Class. Since for purposes of recruitment to Class III posts all vacancies in the various Departments are to be taken together, it is not necessary for each Department to report separately the Vacancies filled by them as required under Government Circular, Political and Services Department No. 490/46 dated the 5th January 1951. Political and Services Department will prepare a statement for all the Departments. As regards Class IV posts, all Departments will have to make necessary reports required to be made under the Government Circular under reference as each Department is recruiting candidates for them, direct.

* this is the prescribed percentage.

(ii) Non Public Service Commission candidates are taken up by the Departments in Class III posts as a stop-gap arrangement and the recruitment of such candidates cannot be fitted into the relevant rules, and cannot give the correct idea regarding recruitment of candidates from the Backward Class. It is not therefore necessary to included their appointments in the returns to be submitted under Government Circular, Political and Service Department No: 490/46 dated the 5th Janaury 1951 not is it necessary to obtain lists from the Backward Class Officer while filling these vacancies under Government Circular, Political and Services Department No. 7469/34, dated the 28th February 1951.

4. The Development Department may be informed as above. The papers may be retuned to that Department, after taking copies of relevant notes. After return of the papers a Circular Memorandum may be issued to all Departments making clear to them the points now elucidated to the Development Department. The issue of such a circular Memorandum will help to avoid unnecessary correspondence in the matter from other Departments and will also ensure that all Departments follow the correct procedure uniformly."
